Towels: 5-Star

100% Cotton

The Five Star Hotel Collection terry ensemble is designed for properties looking for superior guest experience. Each of the Five Star Hotel Collection towels are constructed from combed, ring spun 2-ply cotton loop yarns for extraordinary softness. Plied loop yarns on the front and back provide a comforting plushness and enhances surface absorbency. The hems of this ensemble are lock-stitched and bar-tacked for greater durability. With oversized bath towels, your guest will be generously enveloped in luxury. Step up to the luxury that only Five Star Hotel Collection terry ensemble can bring.

Towels: Atelier Zen

100% Cotton

Experience the velvety softness and elevated design of the Martex® Atelier Zen Towel Collection—crafted specifically for the demands of hospitality settings. Featuring zero-twist construction, these towels feel exceptionally plush and fluffy, while offering superior absorbency. Once reserved for residential use, zero-twist technology now meets hospitality-grade durability, proven through rigorous lab testing. Elegant dobby end borders and a diamond-frame tub mat bring visual richness and tactile luxury to every guest experience. Reinforced with double-stitched hems, each towel is built to withstand repeated commercial laundering without compromising quality.

Vacation Rental Products

Linens - Amenities - Housewares

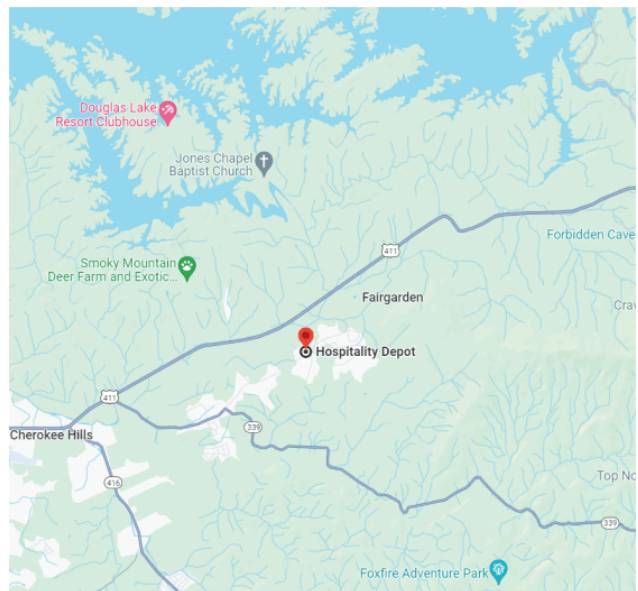

Forget buying retail for your vacation rental units. Hospitality Depot has hotel quality linen needed to outfit your property giving you the durability required in rental settings. We strive to provide consistent products so you don't have to accept substitutions. In addition to linens, we provide the housewares and amenities needed for the success of your rental unit, whether it is a condo, cabin or home.

We source only quality products from reputable manufacturers and suppliers. Most items are stocked in our 28,000 sq.ft. Panama City Beach warehouses. Our Sevierville, Tennessee 10,000 sq.ft. warehouse is open to serve the Tennessee Smoky Mountains.
